Hi, my name is Adnan Crnovršanin and I am currently a student studying Software Engineering at State University in Novi Pazar.

As a highly motivated individual with a passion for technology, I am constantly seeking new ways to learn and grow in this field. I have a strong skill set, including expertise in React.js, Node.js, MongoDB, etc.

I am excited to apply my skills and knowledge to real-world projects and make a meaningful impact in the world of technology.
